

ILLINOIS PUBLIC ADJUSTERS EXAMINATION AND LICENSE INFORMATION

A Candidate Handbook and Examination Content Outline have been provided to assist you in scheduling and informing you of the examination procedures.

The examination fee of \$103.00 includes the \$50.00 State of Illinois Administrative fee.

After the candidate successfully completes the public adjuster examination, he/she must submit a license application form (PA-1 enclosed) with a \$250.00 check payable to the Director of Insurance and provide evidence of financial responsibility in the amount of \$20,000 in the form of a surety bond or letter of irrevocable letter of credit.

Before a Public Adjuster license may be issued the Public Adjuster applicant must be fingerprinted by an Illinois approved Live Scan Fingerprint Vendor. No license will be issued until the Department receives the results from the Illinois State Police.

Public Adjuster Business Entity application (PA-2) is also enclosed should the licensee need to also obtain a license for the entity.

IMPORTANT!

Prior to issuance of a Public Adjuster License, you are required to comply with the provisions of Administrative Rule 3118. This rule requires that you file your contract and rate schedule of charges, in duplicate, along with a letter of submission, in duplicate, with the Department of Insurance.
