Brief description of filing. (If filing follows rates of an advisory organization, specify organization): Factor changes from the previous filing to the Core Discount Table (Rate Manual Exhibit 20) resulted in pricing reversals for Multi-Car and Homeowners customers. Some customers who are in such buckets were charged higher premiums than customers who chose otherwise. Factor adjustments to the Core Discount Table were applied to fix this issue. We also adjusted the initial DriveSense discount, adjusted the Minimum Limit according to the latest statute, and a base rate offset was done to arrive at an overall rate change of 3.0%.
