Members introduced themselves.

Review of Comments Submitted by Committee Members

Members reviewed comments submitted by committee members regarding the most recent draft of the Illinois Standard Health Application for the individual market.

Final Review of Draft Individual Market Application

Members agreed to changes to the draft application in light of the submitted comments. These changes will be incorporated into a final draft, which will be made available to the public for comment. Members agreed to separately provide comments on an alternative version of the Acknowledgment section of the draft application, which will be created by Department staff based on submitted comments. The Individual Committee members agreed to schedule a joint conference call with the entire Working Group to discuss both the small group and individual market applications.

Conference call ended at 4:30 p.m.
