We completed an extensive analysis this year to determine the indicated rate change based upon our own
experience of approximately three years as well as the experience of the prior carrier. Rate change impacts were
calculated using extension of exposures, then re-calculating of past policy premiums to current rates. Changes were
made to the various rating factors such as term length, deductible, vehicle class etc as well as the base rates to
the permissible loss ratios.

*Adjusted to reflect all prior rate changes.
