Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

American Alternative Insurance Corporation (AAIC), licensed in the state of Illinois, is currently affiliated with Insurance Services Office, Inc. (ISO). As such, ISO files advisory loss costs on behalf of AAIC. Our loss cost multiplier is currently on file to automatically apply to future ISO revisions.

Due to administrative and system constraints, AAIC is currently implementing ISO revisions effective four months after the ISO effective date. Therefore, we hereby propose to delay implementation of the changes contained in ISO Reference Filing CF-2007-RLA1 (ISO effective date 4/1/08) on the date shown below.

We propose that this filing apply to all policies effective on or after August 1, 2008.
