If so, specify: ALL

Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

American Alternative Insurance Corporation (AAIC), licensed in the state of Illinois, is currently affiliated with Insurance Services Office, Inc. (ISO). As such, ISO files advisory loss costs on behalf of AAIC. Our loss cost multiplier is already on file with your department; we are not making any changes to our loss cost multiplier at this time.

Due to administrative and system constraints, AAIC is currently implementing ISO revisions effective four months after the ISO effective date. Therefore, we hereby propose to delay implementation of the changes contained in ISO Reference Filing CA-2007-BRLA1 (ISO effective date 10/01/2007) on the date shown below.

We propose that this filing apply to all policies effective on or after February 1, 2008.

However, we hereby propose not to adopt these revisions for our VFIS Emergency Service Organization, Hospice and Community Care Insurance Services, and Rural Special Districts Insurance Services programs. When we decide to adopt for these programs, we will make a separate filing.
