Re: Utilization Review Organization Renewal Application

Dear Sir/Madam:

If you wish to renew your Utilization Review Organization registration, all information requested on the attached renewal application must be furnished and accompanied by a check for the appropriate renewal fee. All checks are to be made out to the Director of Insurance. Should your company no longer engage in utilization review, please notify this Department in writing. Any entity, which operates a program for utilization review in this State, and fails to register such program, may be construed as an unlicensed insurer and will be subject to corrective action.

Pursuant to statute, those organizations performing Utilization Review are required to pay a biennial fee of \$3000.00 unless:

1. For Health Care Utilization Review Organizations, accredited with the American Accreditation Healthcare Commission (URAC), the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) or the National Committee for Quality Assurance (NCQA) and
2. For Workers' Compensation Utilization Review Organizations, accredited with the American Accreditation Healthcare Commission's (URAC) Health Utilization or Workers' Compensation Utilization Management standards

the fee would be \$1500.00.

Registration standards, guidelines, exhibits and URAC links can be accessed at:

Any questions or comments may be directed to Kelly Smith at: (217) 558-2309, or email: [kelly.smith@illinois.gov](mailto:kelly.smith@illinois.gov).

Sincerely,

David E. Grant
