Re: 2017 Annual Report - Department of Insurance

Dear Governor Rauner:

I am pleased to submit the Annual Report on behalf of the Illinois Department of Insurance. The Department's mission is to protect consumers by providing assistance and information, by efficiently regulating the industry's market behavior and financial solvency, and by fostering a competitive insurance marketplace.

In 2017, the Department developed a Vision statement from which it developed three overarching strategic goals: ***embrace efficiency and innovation, educate and protect consumers, and encourage a vital and robust insurance market.***

Throughout 2017, the Department completed a variety of initiatives in support of its strategic goals. Some highlights are below:

- Eliminating 20% of DOI records resulting in annual savings of roughly \$4,000
- Streamlining the Get Covered Illinois ACA Call Center and IT infrastructure leading to roughly \$2 million in cost savings
- Visiting all 102 Illinois counties during the 6-week 2018 Open Enrollment period to educate consumers about health insurance options on the individual market and access to mental health and substance use disorder treatment
- Creating the Division of Innovation to support collaboration with industry while maintaining consumer protections

I hereby submit the Illinois Department of Insurance Annual Report for 2017 which contains a summary of the Department's regulatory and administrative units and fiscal operations.

Respectfully submitted,

A handwritten signature in blue ink that reads "J. Hammer".
